A WORD FROM THE NEW CHIEF OF SR-7B

My Brothers,

I hope that each of you had a great 2013 Conclave at Camp Durant. The expectations for next year's conclave at Camp Bowers have been set high. I believe that together, we can make the 2014 Conclave even better!

It is truly an honor to be elected your section chief for this upcoming year. I look forward to visiting your lodges and meeting all of you. If you need anything or have any questions throughout the upcoming year, please do not hesitate to contact my officers or myself.

Yours in Service

Kenneth Erickson
SR-7B Section Chief

ADVISERS MINUTE

Congratulations SR-7B for a record-setting attendance at a Section Conclave. In case you didn't realize, there were 1701 in attendance this weekend at Camp Durant, certainly igniting The Fire Within to keep our Order strong. We extend many thanks to all members of the Occoneechee Lodge for all the dedication and hard work to host this outstanding event. Thanks also to each of our Section Lodges for your support in bringing large delegations of brothers. Congratulations to all of the winners of our competition events.

As we move away from Conclave, I wanted to extend a big appreciation to our Section Adviser Bud Harrelson. Many of you know that Bud has stepped down as our Section Adviser, and will be pursuing the completion of his graduate degree at UNC-Chapel Hill. We wish Bud all the best in school and in his ensuing career.

Bud's outstanding leadership during his term as Section Adviser has elevated Section SR-7B to one of the top Sections in the entire country. Our Conclave attendance has steadily grown from below 1,000 participants just a few short years ago to over 1,700 participants this past weekend, leading the entire country by being the largest in Conclave attendance, and also by having the highest percentage of attendees from across our Section membership. Our Section Conclave Service Project was also the first type of service project ever undertaken at a Section Conclave, and now serves as a model for Section Conclaves across the Country. Most of the current structure of our Section Conclave weekend has Bud's fingerprints on it in some way.

Bud's vision and leadership will be greatly missed by our Section. Please join me by thanking Bud for a job well done.
