## NEW SECTION TRAINING WEBINARS

On Tuesday December 3, 2013, Section SR7B broke history by hosting the nation's first section-wide training seminar online. These are referred to as "webinars" and they are available to ANY youth or adult OA member. Our first webinar was hosted by the Section Secretary, Stephen Frein, where he focused the training on effective communication within lodges and chapters. Stephen offered many resources to communicate with Arrowmen online such as using social media, how to make mass emails, and even how to send text messages to Arrowmen through an online system!

These webinars are intended to allow all Arrowmen to receive forms of training without leaving their homes. The SR7B training team would love to have you at the next webinar.

The next webinar will take place in January and will focus on a form of Indian affairs. Keep a lookout on the SR7B Conclave Facebook page for more information on how to sign up!

## WHAT'S UP LODGE 117?

Hello SR-7B,

Lodge 117 has had a great 2013! We took home several awards at Conclave, including the Michael Turner Honor Lodge and the overall AIA award. Our 75th Anniversary Fall Fellowship was a massive success in October, drawing hundreds of Arrowmen and their families. They enjoyed many exhibitions and activities like the Crew of the Archangel Privateer re-enactors, numerous Indian affairs crafts and workshops, the quest for the silver arrow chapter event and the hallowed volleyball tournament. Plans for the new Camp Boddie chapel were also unveiled, marking another milestone for the camp's recovery from Hurricane Irene.

Our most recent event was the November lodge banquet. We had a great meal by the Croatan cook crew as we celebrated the end of another year and gave out awards to members and their chapters. We wish everyone happy holidays and a productive new year for 2014!

YITB,

Jack Kittrell
