Corey is very active in Wahissa Lodge's ceremonies programs and participated in the Brotherhood Team evaluation at the 2015 NOAC, where he received an overall "Outstanding" in Brotherhood Meteue. Corey has held several lodge positions including Ceremonies Chairman and Vigil Chief.

As Service Chairman, Corey has been busy organizing the Food Drive and coordinating with Freedom Alliance to provide the service for Conclave 2016.

## Cheerful Service

Do you want front row seating at the Saturday Night Show? Do you want to prove that your lodge is the best in the section? If so, support the Food Bank of Central and Eastern North Carolina by bringing canned food to Conclave with you! Non-perishable food items will be collected at the gate as participants arrive at Camp Boddie. The lodge that

brings the most food will receive front row seating at the Saturday Night Show at Conclave!

While you're having fun at OAX on the Saturday of Conclave, make sure to take part in the section service project too. This year, SR-7B is partnering with the Freedom Alliance to assemble care packages for children of deployed soldiers. A few minutes of your time will help comfort a child whose parent is defending our country. Your act of cheerful service will be rewarded with a turn on the mega-fun obstacle course! Bring a friend, do some good and have some fun racing through the obstacle course.

## FREEDOM ALLIANCE

### *Freedom Alliance Care Packages*

While at OAX stop by the service project area. SR7B is partnering with the Freedom Alliance to assemble care packages for children of deployed soldiers. Please donate a few minutes of your time to help a child whose parent is defending our country.

After completing a care package you will be rewarded with a turn on the mega-fun obstacle course! Bring a friend, do some good and have some fun racing through the obstacle course.

## American Red Cross

### *Red Cross Blood Drive*

The Blood Drive will be held in front of the old health lodge. The drive will run from 8AM - 4:30PM. Most of the morning slots are taken, but the Red Cross will be accepting walk-ups. Please consider giving the gift of life.

## Go Native at Conclave

At Conclave, your lodge competes in more than just crazy spirit games. You can compete and be evaluated by expert judges in a variety of individual and team-based American Indian Affairs competitions. These include OA ceremonies, powwow-style dancing and singing, and team dances of various historical backgrounds.

Look for the American Indian Village at Conclave, where AIA events will be hosted and you can participate in a variety of cultural activities. Cherokee blowguns, Plains tepees, and a dugout canoe build are some of the great features to check out!

Some AIA competitions require that you sign up beforehand. Here are links that will take you to the online application for most AIA events. Check with your AIA officers and advisers in your lodge to learn more.
